VOLUME 37.

that the constitution is defeated. Smely the Congresional Jacot as made some tricella-lation and did not understand the points

when they got up their nice little enheme for Africanizing the South, and will have to in-sent some new villatary before their desires

can be estimed. They can declare all of the Southern States in the Unit in and allow them representation, but that will not ulter the fact that the reconstruction

scheme has turned out to be a min rable abor-tion and a contemptible totlare. Indeed to

constructing and the Rad on lenders knew it, but it was avecasery to make war upon the President and this could only have been done

Col. Henry Dentas Connellman in the Eigeth Ward to fill the vacancy caused by the ring nation of Mr. Shadburne. Although we wish

ed for a different r ult we had no hope that it would be different from what we have recorded. In siew of the sentiment and

it will yet rise to torment some of the gentl

It is probably not k onn to many of o caders that the law regulating the election of members of Congress has been changed by the present C ngress and that the people of Kentucky will be call d upon to elect their Representatives to the F r 3-first Congress, on the day of the occurrence of the Presidential election, in November next. The object of the change in the law was to bring about multi-ratify in the election in the everal fitates. Her foror, a me of the States elected in the 18th before the expiration of a C gree, but in Kenneky and some other States, the practice has been to elect to the Angus following the expiration of a Consress. The that on several occasions when extra session wers called between the 4 b of March, whe be old Congress expired, and An ust, who the elections occurred, there were no repr scutatives from such States, and it became necessary to hold appelled elections. This was our elimation inst year. The present law requires that the elections chall take place it all the States on the sam day, in November of every become year. Our precent member wil of course hold their cate until the 4 t

of March, 1669 Humors of the New York Papers. When the sainding Gretysburg Lotter, scheme was announced, the New York Herald took up the cudgels tor it, and belabored at who dared to les nuete that there was any thing rotten connected with it. It blew appetiteless, and thousands, may bundreds of bonsands, arre swind ed. The press of New for saie cheap. York in a spirit of m sevouences, have tallen upon the Hern das to locker of the cheme, and, with admirable affectation, co gratulated the public upon the supposed ditermination of Mr. Bennett to redeem the tickets which had been sold upon the faof his representations. By coming out the of disappo n rd to ket la dere to concre ra ready as about no extra the second to an analysis of the second to analysis of the seco about the Herald off . On the next day they announced t at Mr. Beon t had not go the infinite an opance of in ower. The next day the B and can be dead the crywda in attendance we had the crywda in attendance with a day it ag befrook, and was corry that the reminister had exalted the cast of raries! Its tickets were a ned sud it re-mains to be seen wheth rith - I will reform the Heruid.

Hon. J. N. Lett.ndnr.

It will be one from the one insent to another on many the first and anterest on the country in the country of the coun Hon. J. S. Gelmdar.

The result of th majority. To must strict the constituent of the Ridde is to carry the committeent tion and to short lear can date, but they have been a pisited, and the crautamance as find on he day, it is increased that the class to the old land jet."
